

Frodsham CE Primary School NEWSLETTER

As God's family we love, learn and play together.

5th June 2023

Dear All

I hope everyone had a wonderful half term holiday. How lovely to be able to enjoy so much sunshine at long last. And it looks like it is going to continue. The weather was perfect for the Y6 residential to the Conway Centre. I had the absolute privilege of joining them. What a wonderful week! We had so much fun challenging ourselves with lots of outdoor adventurous activities. It was great to see the children working together as a team and making some life long memories as their time at Frodsham CE comes to an end. This week it will be Y2's turn. I know they are going to have a brilliant adventure at Foxhowl and I look forward to hearing all about it. They deserve to have a such a treat after working so hard in their KS1 SATs– they made us all very proud. Well done Y2! We are very fortunate that our school governors are always keen to invest in staff to meet the needs of all our children and support the best teaching and learning across the school. Therefore we have been delighted to welcome two new TAs to our team: Mrs Rowland and Mrs Prescott. We hope they will be very happy working alongside our children and staff. We have also been happy to welcome Amberlily to our reception class and hope she and her family settle in well to Frodsham. Summer 2 is one of the best terms with so many events to look forward to and enjoy. Please check out the forthcoming dates and remember a weekly timetable is always available on our website and in the window of the hall and kitchen. Good luck to our Y5/6 cricket team who have an important tournament coming up. Kindest regards, Mrs Kirby

Year 6 Residential to the Conway Centre

Y6 had a fantastic time at the Conway Centre on the beautiful and sunny Anglesey. During the week the children and staff enjoyed a range of outdoor activities including: canoeing, paddle boarding, high ropes, gorge walking and via ferrata. It was a fantastic opportunity to relax and have some fun after the hard work of SATs. A huge thank you to Mr Coates, Miss Riddiough and Mr Brady for accompanying the children and thank you to parents for funding this amazing opportunity for the children which will hopefully be a real highlight of their time at Frodsham CE and a very special adventure with their class that they'll always remember.

"The activities are really fun and the instructors are really nice. My favourite was gorge walking." Billy

"Conway was brilliant! I loved paddle boarding." Rachel

"I enjoyed going away with my classmates because there was lots of activities to do." Carly

"I really enjoyed the paddle boarding because you got to jump in and get pushed off." Erynn

"The food is amazing and there are multiple options. I can't pick a favourite!" Harrison
"Conway is a great experience that everyone in school can look forward to." Calum

Sports News

Cricket season is in full swing! Our year 5/6 dynamos cricket teams represented our school at Frodsham Cricket club. Both teams performed amazingly well with the red team winning all of their games and progressing to the next stage at Kingsley Cricket Club on Thursday 15th June.

Our year 3/4 Diamond Cricket teams also represented our school in a Diamond Cricket festival at Kingsley Cricket Club. Here our children played a series of friendly games learning skills and rules of the game. We had a wonderful afternoon.

Finally reception, Y1 and Y2 worked with a tennis coach from Helsby Tennis club to play some fun tennis games aimed to improve their understanding of the game.

Achievements

Congratulations to Ella who won most improved player in the under 8 category.

Well done to Amber for passing her Grade 1 Swimming.

Well done to Jonah for getting the u10's most improved player at Helsby Rugby Club this season.

Well done to Robert who has passed his level 6 swimming badge.

Hetty received her Blue Peter Green Badge after sending in a short film of how she made a pond by re-using an old Belfast sink, to help benefit and attract wildlife. She now has 10 tadpoles and it's also pit stop for lots of animals!

Huge congratulations to Arthur, Y5 for his recent success in a regional chess championship. He will now compete in the national round. Good luck!

Judaism Visitor

It was lovely to welcome June to our Y1 and Y2 class who talked to the children all about her Jewish faith. In Y1, June shared a range of artefacts: Shofar, Mezuzah and prayer beads. She also talked about the Torah. In Y2, June spoke with the children about their learning on Shabbat and then shared some rules of what Jewish people can and can't do on Shabbat.

Learning Lodge Official Opening

We were delighted to officially open our new 'Learning Lodge' outdoor classroom. Thank you to the PTA for their generous donation and to our whole school community for all the fund raising you do. It makes a real difference. We are looking forward to more outdoor learning.

Notices

Hot weather Please remember to apply sun cream to your child and make sure they have a sun hat and a water bottle in school. Children are only permitted to drink water during the school day with the exception of their lunchtime drink.

School Uniform Another plea to ask parents to support our school uniform policy. A smart uniform does help us to maintain high standards in behaviour and learning. School shoes must be worn not black trainers.
