

Frodsham CE Primary School- Sports Premium Report

September 2016 - July 2017

At Frodsham CE Primary School we are utilising the Primary PE and Sport Funding to improve the quality and breadth of our PE and sport provision through improving the quality of teaching and learning in PE, encouraging our pupils to adopt healthy lifestyles and taking part and competing to a high level in a wide range of sports activities and tournaments.

Total amount of School Sports Premium Funding: £8885.00

Aim	Provision	Cost	Impact
Physical Education			
To ensure all children have access to high quality PE teaching.	CPD for all staff to improve the quality of dance teaching and ensure children achieve higher standards. Invest in a scheme of work/ assessment programme which will result in clear progression of skills in dance.	£500	All teaching staff have received dance training from a highly experienced specialist. Feedback was very positive. Staff's confidence at planning and teaching dance has improved, especially their understanding of the 5 key areas of dance; how to lead an effective dance warm up and how to link dance to other subjects such as English. Further impact of this is that they have developed their knowledge of how to ensure clear progression of skills across different age ranges and abilities.
	Membership of the School Sports Partnership and access to School Sport Coordinator to support PE lead and school development. Access to ongoing CPD organised by partnership. Access to Youth Sport Trust Subscription to peprimary website.	£2500	The school continues to be well supported to plan and action the spending of the new school sports premium including being awarded the Gold School Sports Mark for the second year. The PE subject lead continues to attend training to keep up to date with current issues including resources available to support the

			<p>improvement of PE and sport.</p> <p>Gymnastics CPD has been attended by our Sports Coach, consequently improving his subject knowledge and understanding.</p> <p>The school has attended all the sporting tournaments ran by the School Sports Partnership so far this year.</p> <p>The School Sport Coordinator has delivered training to our Y6 Sports Crew who are now confident leading a range of physical activities at lunchtime with younger children.</p> <p>Teachers have access to high quality resources to improve the quality of their PE lessons and encourage an increased range of activities.</p>
	To purchase new resources to teach the PE curriculum.	£300	New footballs have been purchased. (£120)
	Supply cover to cover the cost of PE leader and other teachers to attend PE training.	£191	<p>New PE leader is informed of sporting events and as a result has planned new intra school competitions.</p> <p>Further impact is that our PE subject lead is informed as to current best practice in the teaching and learning of PE.</p>
School Sport			

<p>To continue to provide a wide range of extra curricular activities to allow children to participate in physical activity at a competitive level.</p>	<p>Employ a school sports coach to organise attendance at inter and intra school tournaments.</p>	<p>£7,980</p>	<p>Children have participated in the following inter school competitions: tag rugby, quicksticks hockey, Y5/6 football (1st), Y3/4 football (1st) Medball Challenge (3rd) Y3/4 football level 2 (2nd) Y5 Liverpool Football (3rd) In the autumn 220 children participated in competitive sport. All KS2 children participated in a tag rugby intra school tournament, KS1 participated in a dodgeball intra school tournament and the whole school participated in a sportshall athletics tournament. In the spring term children have attended the following inter school competitions: Y5/6 sportshall athletics (2nd), Y5 football finals (4th), Y5/6 netball (2nd, 4th, 5th), Y5/6 basketball (3rd, 5th), Y1 football (3rd), Y2 football (2nd), KS2 cross country (4 x 1st, 2 x 2nd), volleyball (4th, 5th, 7th) Y5/6 basketball (1st) In total 187 (206) participated in an inter school competition. The children regularly return to schools with medals, reflecting the high quality of their performance. In the spring term the intra school tournaments have included: KS2 football and whole school triathlon.</p>
---	---	---------------	---

			<p>In the summer term children have attended the following inter school competitions: Reception mini-kickers, Y5/6 orienteering (2nd, 5th), Y5/6 boys kwik cricket (3rd, 6th), R, Y1, Y2, Y3, Y4, Y5, Y6 Race for Life, Y5/6 quad kids, Y3/4 mini red tennis, Y5/6 girls kwik cricket, Y3/4 tri-golf, Y5/6 tri-golf, KS2 district sports athletics, and the Cheshire summer school games. In total 187 (206) participated in an inter school competition. The children have continued to regularly return to schools with medals, reflecting the high quality of their performance and their enjoyment of physical activity. In the summer term the intra school tournaments have included: KS2 rounders competition and our whole school sports day. In the summer term 207 children participated in competitive sport.</p>
	<p>Employ a Sports Coach to deliver high quality after school clubs in a wide range of sports ensuring pupils compete successfully at inter school level.</p>	<p>£as above</p>	<p>In the autumn term after school clubs on offer have included: tag rugby, quicksticks hockey, football, netball, sportshall athletics, basketball, KS1 multiskills. During the autumn term 147 children participated in a after school sports club. In the spring term children have attended</p>

			<p>the following clubs: volleyball, football, basketball, athletics, gymnastics, and cricket. In total 160 children participated in after school sports clubs. In the summer term children have attended the following clubs: multi-sports, yoga, street dance, tri-golf, tennis, athletics, kwik cricket and football. In total 201 children participated in before and after school sports clubs.</p>
	<p>To pay for transport to sporting events such as the cross country run in Delamere forest and Rec/ KS1 mini athletics so that an increased number of children can participate at a competitive level.</p>	<p>£865</p>	<p>More children were able to participate in a competitive event: tag rugby, as a coach was used to transport the children. A record 92 children attended the cross country run, too many to fit on the coach. The children thoroughly enjoyed this event and children who have not participated in any other sporting events or clubs attended. Children were keen to improve their previous results with two children maintaining their 1st place. In preparation all the children attended a lunchtime running club to prepare and build fitness. This club was well attended. Within the summer term the impact of this funding was that all of our reception and key stage 1 children (90) were able to</p>

			participate in an interschool athletics festival at our local high school.
Healthy Active Lifestyles			
To ensure all children are participating in daily physical activity.	Employ a Sports Coach to deliver high quality lunchtime clubs to encourage those usually reluctant to engage in PE and sport to participate in physical activities during their lunch break.	£as before	<p>Netball is currently a popular lunchtime sport and greater use is being made of the outdoor space to enable children to participate in a range of activities at lunchtime. As a result an increased number of children are participating in a regular sport at lunchtime.</p> <p>Due to lunchtime netball, the after school club has been really popular and children's skills have greatly improved, resulting in 3 teams attending a competitive event with a 2nd and 3rd place.</p> <p>During the spring term a high proportion of children have been very keen to play basketball at lunchtime. Previously this is not a sport we have achieved well in, however the team attended the Cheshire Phoenix competition and came 1st going through to the next stage. This was a fantastic achievement and got new children engaging in basketball and competitive events.</p> <p>During the summer term a high proportion of</p>

			<p>children have been very keen to play cricket at lunchtime. Previously this has been sport that we have achieved well in. Due to the popularity of our lunchtime cricket the impact has been that our after school kwik cricket club was attended by 28 pupils which was the highest attendance of any other sports club throughout the whole of 2016-17. Further impact has been that children's hitting, throwing and bowling skills have greatly improved resulting in our children achieving 3rd place in the inter-school competition.</p>
