

Solo

Sing!

It doesn't matter if your days are long,
It doesn't matter if your night's gone wrong,
Just clap your hands, and stamp your feet,
Woah

It doesn't matter if he let you go,
It doesn't matter if she hurt you so,
Get up and dance, just feel that beat,
Woah

I don't know what you've been told but music makes you lose control.

Chorus

Sing, sing, sing
Sing it out as hard as you can,
Make them hear you from LA to Japan,
This is how we do it now,
Go and blow them windows down.

Sing, sing, sing
Sing it with your hands in the sky,
Light it up like it's the 4th of July,
Down, down, down, down, down, down

It doesn't matter if you're way off track,
Feel like you're heading for heart attack,
Just raise your voice, and bring the noise,
Woah.

Sing for your Mama,
Sing for your daughter,
Sing for your sister's mister's best friend's brother.

I don't know what you've been told but music makes you lose control.

Purify My Heart

Purify my heart,
Let me be as gold and precious silver.
Purify my heart,
Let me be as gold, pure gold.

Refiner's fire
My heart's one desire
Is to be (*is to be*)
Holy (*holy*)
Set apart for You Lord.
I choose to be (*I choose to be*)
Holy (*holy*)
Set apart for You my master
Ready to do Your will.

Purify my heart,
Cleanse me from within and make me holy.
Purify my heart,
Cleanse me from my sin, deep within.

Refiner's fire
My heart's one desire
Is to be (*is to be*)
Holy (*holy*)
Set apart for You Lord.
I choose to be (*I choose to be*)
Holy (*holy*)
Set apart for You my master
Ready to do Your will.

Ready to do Your will.

Stronger Together

There are times I need somewhere that I belong,
Something that I can call my own,
Like I have always known,
Safe, secure and feels like home.

Heard a voice, a whisper that became a shout.
I heard them call my name out loud.
Following the sound,
Guiding me, leading me higher and higher.

Can you hear above the noise the voices?

Chorus

Together we are stronger we can overcome
We can walk this road together we can stand as one
And now nothing can divide us we are stronger
together
Together we belong, together we are strong.

There's a flame, burning through the darkest night,
Burning with the brightest light,
Can you see it through the dark?
Shining, leading you higher and higher.

Can you hear above the noise the voices?
Full of life and full of hope.

Amazing Grace

Who breaks the power of sin and darkness?
Whose love is might and so much stronger?
The King of Glory,
The King above all Kings.

Who shakes the whole Earth with holy thunder?
Who leaves us breathless in awe and wonder?
The King of Glory,
The King above all Kings.

Chorus

This is amazing grace,
This is unfailing love,
That You would take my place,
That You would bear my cross.
You would lay down Your live,
That we might be set free,
Jesus, I sing for, all that You've done for me.

Who brings our chaos back into order?
Who makes the orphan a son and daughter?
The King of Glory,
The King above all Kings.

Who rules the nations with truth and justice?
Shines like the sun in all of its brilliance?
The King of Glory,
The King above all Kings.

Chorus

Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy is the King who conquered the grave
Worthy is the Lamb who was slain
Worthy, worthy, worthy

The Lord's My Shepherd

The Lord's my shepherd, I'll not want.
He makes me lie in pastures green.
He leads me by the still, still waters.
His goodness restores my soul.

Chorus

And I will trust in You alone.
And I will trust in You alone.
For Your endless mercy follows me.
Your goodness will lead me home.

He guides my way in righteousness.
And He anoints my head with oil.
And my cup, it overflows with joy.
I feast on His pure delights.

Chorus

And though I walk the darkest path,
I will not fear the evil one.
For You are with me and Your rod and staff
Are the comforts I need to know.
