

Frodsham CE Primary School- Sports Premium Report

September 2018 - July 2019

At Frodsham CE Primary School we are utilising the Primary PE and Sport Funding to improve the quality and breadth of our PE and sport provision through improving the quality of teaching and learning in PE, encouraging our pupils to adopt healthy lifestyles and taking part and competing to a high level in a wide range of sports activities and tournaments.

As a result of the effective spending of our Sports Premium, we have been awarded the Platinum School Games Award.

Total amount of School Sports Premium Funding: £10,354 + £7,396 = £17,750

Aim	Provision	Cost	Impact
Physical Education			
To ensure all children have access to high quality PE teaching.	Membership of the School Sports Partnership and access to School Sport Coordinator to support PE lead and school development. Access to ongoing CPD organised by partnership. Access to Youth Sport Trust Subscription to peprimary website.	£2500	This year there has been an increase in festivals which have focused on engaging reluctant children in new sports such as badminton and dodgeball. This has increased the number of children participating in PE including out of school clubs. Through the partnership, the sports crew have received training which has improved their delivery of lunchtime activities and participation. The PE lead continues to be well informed and up to date with the latest initiatives in PE teaching and learning which are disseminated to all staff.
	All staff to receive 1:1 PE CPD for half a term. Staff plan, teach, reflect and evaluate alongside a sports coach to improve the quality of their teaching in an area of PE	£1220	Teachers have responded positively to this intensive CPD. Their increase in confidence is evident and lessons contain the 4 corner model which shows clear progression

	they have identified.		in lessons and as a result teaching is meeting the needs of all learners in PE and children's skills are improving.
	Employ a Sports Coach to support the delivery of PE lessons across the school focusing on extending pupils identified as more able in PE and sport and to encourage those who are reluctant to engage in PE and sport.	£15,363	Within lessons, there is expert additional support for both the teacher and children. Target groups have been identified and provision has either been more challenging or broken down into easier steps to meet the needs of the learner and ensure they make progress.
	To purchase new resources to teach the PE curriculum.	£500	Football purchased have enabled the PE curriculum to be delivered and an after school club for Y3,4,5,6. The highest achievement has been the girls' Y5/6 football team reaching the county finals.
	Purchase Dance scheme of work to improve the quality of teaching and learning.	£180	The new scheme has enabled teachers to plan dance lessons much more effectively with easy access to resources especially appropriate music. Stronger links to the curriculum have made learning in dance more relevant and consequently children are more engaged and dance vocabulary is improving.
	Supply cover to cover the cost of PE leader and other teachers to attend PE training. £229 per day	£1145 6 days' supply	Attendance at the YST training has resulted in improved knowledge of how to link PSHE and PE especially focusing on confidence and resilience which in turn has an

			impact on raising children's self-esteem.
School Sport			
To continue to provide a wide range of extra curricular activities to allow children to participate in physical activity at a competitive level. 			range of sports with some children continuing out of school by joining clubs.
	Employ a member of staff on a flexible basis to accompany our Sports Coach to competition events.	£100	In order to transport teams to these events the school occasionally needs to employ additional staff. As a result we can attend all sporting events and children who wish to attend can.
	To pay for transport to sporting events such as the cross country run in Delamere forest and Rec/ KS1 mini athletics so that an increased number of children can participate at a competitive level.	£800	A record 80 KS2 children attended the cross country run. 87 rec and KS1 children attended the mini athletics at the high school. Therefore most children have participated in a sports event away from school.

Healthy Active Lifestyles

To ensure all children are participating in daily physical activity.	Employ a Sports Coach to deliver high quality lunchtime clubs to encourage those usually reluctant to engage in PE and sport to participate in physical activities during their lunch break.	£as before	Children participate in different activities each day. There has been a focus on improving children's accuracy in a range of skills with a variety of equipment. This has enabled children to develop skills in preparation for games such as cricket, tennis, basketball, hockey, netball. A lot of the younger children participate in these activities which is not only having a positive impact on their skills when they apply to games at a later date but is also motivating and engaging them in sport from a young age.
