We would love to be able to raise enough money to support the school in the redevelopment of the forest area; benefitting the whole school.

Please support us in any way you can. Thank you!

'Match Funding'

What is it & How does it Work?

This year more than ever we are asking you to consider supporting us with Match Funding, but what is it, and how does it work?

Match funding, is an informal, albeit corporate, arrangement between a company and an employee. Often, a company pledges to match a sum of money relating to the amount the employee has either raised or donated to a charity. It is likely that there will be an upper limit and certain criteria applied, such as the recipient organisation being a registered charity (we are).

If you work for an organisation that offers 'Match Funding', and would be happy to include the PTA, please get in touch via PTAFrodshamCEP@gmail.com to let us know how much you could claim and any additional criteria we need to satisfy. With this knowledge, we can align the offers of Match Funding with upcoming events.

Time to give back...

Last year, as with other years, local businesses were invited to donate raffle prizes for the Christmas Raffle. This year we cannot host the raffle and are instead asking that you consider those local businesses that have regularly supported our school and ask that you consider buying locally where possible.
